

if I come home this spring I
will go & see it. it is in Alagon Co
town of Or. they make lots of Maple
shouger. When I come home, Father
we will go & see the place & if we
like it I think we had better still out
go there but they have the best kind of timber
for logs and staves & good land for sheep
cows & hogs. the grass comes in March
I do not like it where we live for it
is so gritty, swampy & black bird hold
March & lakes. he says the woods are
clean no brush in the woods. the
white oaks are large & tall & split like a
Reed and make nice staves there
is a very fine large pine on one corner
of his farm that he is going to save
to build a house & barn he says there is
plenty of white wood on the place a
man can grow to the ^{middle} they sell
well he has lost his wife & his
health is poor & he wants to to keeping
grocery he says it is very healthy there
well I cant think of any more
write at present take good care
of of your selfs Write soon. your
