

I have got good Cource I can stay
My time out if it is necessary
but I hate to most darnley
Some think we will be mustered
out in a month, I hope so for
I would like to get home time to
cut some hay, father you must
do the best you can till I do come
take care of the sheep & sell the
wool & pay up your debts I want
the incres of my sheep let me
now how money lambs I
have this year & how money
in all for I shall feel quite
proud of them when I come home
Mother you must not worry
about me now for I am well
again as when I came in to
the shurnes & I have seen some
very hard times which we
shant beft to see again,
will I must close fore this
time, Write as soon as you get this
