

to stay Root hog or die.

I have got over my scap but
I have ben sick with a diere but
I am getting over it now. Most of the
Men here ^{the} south think that the
war wont last more than one year.
Some of the soldiers goes out in
the country with teams a forgering
they fetch in corn hay hog & turkes
hens geese every thing they can get
go into smoke houses and get hams
and make every thing they can get a
hold of that is good to eat and fetch
it in ^{and} cook them and have a good time
I cant think of eney thing more to write
just now you must excuse me this time
to you My Friends.

Write as soon as you can.
