

dollars bounty down our now
a two Monts pay 10. dollars a Month

I think I can stamit very well
for we have better grub I have
a very good bunk mate Mr.

Part from grand rapids I do
the cooking & he goes out into
country & gets new potatoes ions
& milk & we pick some blackberries
& we live very well.

Charia the weather is very hot
here now I would like to be to
home now first Rate I to cut
some hay for my sheep it
makes me made something
to think they are keeping us
here when we ought to be to
home getting ready for the winter

we stick & hang like
like jump to foot & adson
ad son he lost loose I began

there some of our boys
under a yard & some in
for not chaying day they
wanted to go to wood
not work but they made
enough this year etc.
