

Racine Masher

February the 20. 1864

Dear Father & Mother,

I take My pen in hand to write to you a nother letter I wrote one to you the first of february and I have not herd eney thing from you untill Mc. Master come here the the other day he come in the eighteens I was glade to him. I got the house Wife. I should have wrote agin but I expected to here from you every day untill I herd that Mc. Master was on the rode I then I thought that you would send a letter bey him. but I found a ful kind which I was ~~here~~ glad to here. I am not very well I have ben sick Most of the time I have ben in camp. I worked three or fore
