

days, & when I first come
here & then I was taken with
diere & I have not ben able
to work so I lay around in
my tent but wood and keep
warm and pick up the tent
I go to the doctors and get
medison & take which I am
better now I think I shall
be able to go to work forse long
we have ~~A~~ moved sence
I have ben here a bout 7. miles
we are about 56. Miles north
west of Nashville on a Railroade
they are bilding thugh to the
Tennessee river the river is
a bout 20. Miles. the Cars come
down from Nashville. 23 Miles
and from there we have wagons
to draw in the provisions to us
we have plenty to eat we
have flower to make biscuit
