

every thing the timber is
very good white oak and
grubey and gravel and rocks
we have. Mules here to
work with draw in the
pier visions and the negroes
have them to draw fire
on the railroad. I have just
got my tent fixt up and
a bed mad up from the ground
there is 8. Men in a tent
I wish that you could
have got my letter that I
wrote the first of February
I wrote to have you send
my hat in the trunk I
must have me a hat the
hats that the men draw
