

There is wards 1. 2. & 3 I am in the
2 ward there is one hundred & fifty. 7.
beds in a ward they are all numbered
My bed is. 207. The ~~liver~~ room is
a book room & tables set for them
to eat that is well a nup to go down
stairs to eat but you dont haft to
go down a tall if we want a want
to fore they fetch up the bread & butter
& plates & put them on a table but
the bread put it on the plates butter
rather eatables & fetch it to your
bed put it on a stand that sets
to the head of the bed and we can
eat all we want if we are well
a nup they fetch tea & coffee
if a man is able to go wack a round
they will fetch his vitals to him
the docter comes once a day a round
to your bed & see how you are
& gives orders a man that out.
Medeson fetches it your bed ore
