

I pore in watter, sume grees
that was bride out of pork
Salratus get clean pined bord
to put it on the barrel to mix
on bake them in a bacitha bake
up lot of them then when
they got thouse and it was
meal time the will holler
dinner to S.O.C. then we would
git our tin plates Copes go out
in mud rane sume times
get sume biscuit & beans & pork
Cope of coffee turn back in the
tent and eat. the last of february
we hade a rane storm it froze ice
on the trees so thick that the limbs
of the trees bell like every thing but
did not eney wone get heret. it
was in the nite and we got out our
tents where there was much danger
in the morning they chopped down
the trees. I do not think of eney more to
write at presant so good by. write
soon as you can. Regeide Mother
