

if I may be left to stay week
but I hope not. but I have got
~~some~~ tyrd of staying to the
hospital I want to be out where
I can get ^{the} fresh air. the weather
begins to be quite warm the
fogs are leaving out but some
days the wind blows cold.
I some times think that I would
like to be at home to work but
I cant. I must stay here & drill
through. I live in hopes of getting
there some time. I see my Captain
a few days ago & he told me
that they was about 40 miles
here he told me that there was
three or four of the boys here
some where at some of the
hospitals. Fred H. Himmer
a big stout feller he is here
sick with the erysipilus in
head and face he will not
able to go to the Regiment for
