

# WHO'S IN CONTROL?

## Joining forces

THIS CARTOON, drawn by Rep. Linden B. Bateman, R-Idaho Falls, known in the Idaho Legislature for his drawing skills, reflects the leadership problems created by moderate Republicans headed by Rep. Morgan Munger, R-Ola, joining Democrats

lead by Minority Leader Pat McDermott, D-Pocatello, on a number of crucial issues. Copies of the cartoon were distributed in the Legislature and drew comments for the message it conveyed.
