May 27, 1976

Dear Ben,

Just a note of thanks
for the super stories about
me and my boss. Besides,
I just enjoyed your
company so much!

We were all so elated
over the Idaho victory.
I was particularly proud
of the huge majority
from my state.

Looks like a real
battle ahead.

I sure hope I can back
for a longer visit with you.
Thank you for everything. Fondly,
Nancy
