Dear Ben,

may I express my  
thanks to you and your  
co-workers for the lovely  
write-ups you've  
published on my behalf  
this past 7 days — I'm  
beginning to feel kinda  
self-conscious about it  
all — but it has been  
very nice of you

The design on this note was drawn by Ann Adams, a polio patient, who prior to her illness was an artist. Through perseverance, she trained herself to draw by holding a pencil between her teeth. Each original drawing takes up to two months to complete.
