Dear Ben:

Just a short note in which I want to thank you for forwarding through Chris the excellent picture of young K. C. Shook planting a sweet kiss upon my dimpled cheek. The picture makes me look 8 years younger, and it is quite cute. Needless to say, I will see if I can't put it to use somehow.

I also want to thank you for your excellent coverage of my recent "Capitol For A Day" visit to Idaho Falls. Good coverage of this program is very important, for it lets all those who subscribe know that had they wished they could have come into downtown Idaho Falls and sought out their governor. Just knowing that they could have sought out their governor is a very important part of "Capitol For A Day" and I want to thank you for your excellent coverage and the excellent photographs which helped to make Bonneville County's "Capitol For A Day" one of the most successful to date.

As always, my best personal wishes to you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Cec", written over a horizontal line.
