The Post-Register
Idaho Falls, Idaho

Dear Ben:

Just a brief note to thank you for your continuing good coverage of the current Senatorial campaign. I am particularly pleased with your coverage of the dinner September 28 in Rexburg and your treatment last week of my meeting with the wives and mothers of the 116th.

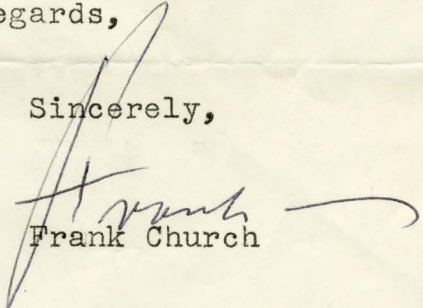

I had hoped to see you in person Tuesday, as your office probably told you. Let's trust that the next time I'm in Idaho Falls we'll have time to get together for a visit.

Cleve tells me that your prognostication of the results of the outcome of the campaign is better than the general AP survey of political writers in the State. I must say I like your prediction better than the general consensus.

If I can be of any particular help to you in your campaign coverage, please do not hesitate to call upon me.

With continued warm regards,

Sincerely,

Frank Church
