To My Old Students

I have always felt that some time or other I should completely rewrite "PSYCHIANA," making many changes for the better in this Teaching. After having had ten years' experience in dealing with men and women all over the world, and having handled their spiritual problems for them, I know a lot more now about the Realm of the Spirit of God than I knew when I first released this Teaching. So I have rewritten and completely changed the whole Movement. Now, no charge is made for "PSYCHIANA" and I am depending on the voluntary pledges of my Students to carry on the work. I start the Lessons to every inquirer free of charge.

The new Lessons have been called by those who know "MASTER-PIECES" of Spiritual Teachings. I think they are. Instead of one Lesson being sent every two weeks, one comes every week now. Instead of there being four different "courses," there is now but one continued Teaching. This is changed entirely from the original Lessons. There is now no question in my mind but what I have finally done the work I was supposed to do. God certainly will speak to millions through "THE NEW PSYCHIANA."

As an old Student, naturally I want you to have the "NEW PSYCHIANA," and if you will fill out and mail the enclosed form to me, I shall be happy indeed to start these Lessons going to you at once. You will not be charged for them. All I ask you to do is to agree to make whatever voluntary contribution you wish to make, every month, to the support of this Movement. That's fair as I can possibly be—isn't it?

Regarding my own personal life and experience, the persecutions of the past few years have mellowed me. They haven't hardened me. What they have done is to drive me closer to the Spirit of God, and there, as is always the case, I have been able to fill my life with the Peace and Power which comes from the Great God-Realm. I can teach you far better now than I ever could before, the things of the Spirit of God. When I first released "PSYCHIANA" you will

recall I was working in the Corner Drug Store here in Moscow. I had faithfully sought, all my life, to find God. I had not succeeded. Then came the great moment when I KNEW WHO AND WHAT GOD WAS. As a result of that experience and faith, I stepped out with hardly a dollar to my name. I was trusting implicitly in the Realm of the God-Law. And you see what has happened since. This Movement is, in my opinion, A LIVING MONUMENT TO WHAT GOD CAN DO WITH ONE MAN OR WOMAN WHEN THAT MAN OR WOMAN WILL ALLOW GOD TO TAKE THE CONTROLS OF HIS OR HER LIFE.

But there was a lot I did not know about the Realm of the Spirit of God, even then. I don't say I know too much now, but there has been, and still is, a silver thread of happiness and peace and joy winding itself round the world as a result of that experience I had ten years ago. I have made mistakes—lots of them. Who hasn't? But they have been honest mistakes, and they all have happened by my not keeping as close to God as I should have kept. I am asking every Student to forgive me my mistakes and to bear with me as much as possible. I am not infallible by any means. But the responsibility of a Spiritual Movement as large as this one is, sometimes is very heavy, even if one is left alone.

However, my faith and my experience in the Realm of God is brighter today than it ever was, and in the "NEW PSYCHIANA" you will find out that I am able to give you truths of God I never was able to give you before. Dr. Tenney, my very able and capable Assistant, said in a little note to me on the new Lessons—"EACH AND EVERY ONE IS A MASTERPIECE. YOU HAVE COME CLOSER THAN YOU REALIZE TO MAKING "PSYCHIANA" THE PURE RELIGION AND UNDEFILED." I appreciate those words. I think I have. I am happy.

Now, as I told you, I am not making any charge whatsoever under the new plan, for these Lessons. They continue indefinitely and one is mailed every week instead of every two weeks. I want every former Student and every present Student to receive the "NEW PSYCHIANA."

All that is necessary is for you to fill in the "STUDENT'S MEMBERSHIP CERTIFICATE" on the back of this letter, mail it to us with whatever monthly donation you care to make, and the Lessons will be started to you AT ONCE. If it should be that for any reason you do not wish to continue, then just notify us—we will stop the Lessons. We don't think that will happen, though.

The point I want you to get is that there is absolutely no charge whatsoever for "THE NEW PSYCHIANA." You donate every month whatever you care to.

I might say that we are growing very rapidly, and if the Spirit of God cannot be found and experienced through this Movement, I don't know where on earth it can be found. Will you please make your monthly contribution as large as you can. Sometimes it keeps us thinking about paying all our large bills, for as the Movement grows, the overhead grows, too. But I'm not going to say any more about that. My Students will do what is right—I know that. They have stood by me so loyally that I have wept many a time when I've thought about it. May the Spirit of the Infinite God bless and abide with you all for ever.

FILL IN THE BLANK SPACES ON THE OTHER SIDE, AND MAIL TO ME WITH YOUR FIRST MONTHLY DONATION. THE LESSONS WILL GO TO YOU AT ONCE.

CORDIALLY YOUR FRIEND,

Frank B. Robinson
