

TO OUR FRIENDS IN FOREIGN COUNTRIES

When mailing remittances to "Psychiana" a great deal of time could be saved if our students would send International Money Orders or New York Exchange, instead of local postal notes or checks on foreign banks.

These postal notes are not negotiable in this country, and considerable delay is caused in returning them. Since we do not wish to hold up any enrollments which are received, we should appreciate your cooperation in sending us International Money Orders or New York Exchange, so your enrollments can be entered and the first Lesson mailed to you immediately.
