

STUDENTS NOTE CAREFULLY

A WAR EMERGENCY MEASURE

Our country is at war. It was forced upon us. The interests of our country MUST come first. For the duration, we ask all Students to refrain from writing personal letters to us. Your Lessons are so clear and plain that even a child can understand them. Should problems arise, follow the instructions in the Lessons, and TALK WITH GOD about these problems. The Spirit of God will give you the answer. We do not have the stenographic help to answer your letters, nor can we get it. In any event, all we do is point you right back to the Law that is God, for in that Law--that Supreme Spirit--LIVING IN YOU, lies the answer to whatever problem can arise. So please cooperate. DO NOT WRITE US PERSONAL LETTERS. Business letters will all be answered, but your personal letters will have to wait a long time before we can get to them, even if we had the help, so, PLEASE DO NOT WRITE US UNTIL WE ADVISE THAT YOU MAY.
