HANDWRITING ANALYSIS

Arrangements have been made with GLORIA MAY, internationally famous Graphologist, whereby anyone enrolling for the "PSYCHIANA" Teaching may obtain, free of charge, a GLORIA MAY HANDWRITING ANALYSIS. Please remember the Gloria May analysis is NOT a mimeographed or multigraphed letter. IT IS AN INDIVIDUAL ANALYSIS. Dr. Robinson had Gloria May make an analysis of his handwriting and so impressed was he with the accuracy of it that he at once made arrangements for her to analyze free of charge the handwriting of "PSYCHIANA" Students.

HERE IS HOW YOU MAY HAVE THIS FREE ANALYSIS:

If you wish this free analysis, send in your enrollment blank immediately and pin this circular to it. This is all that is necessary. Just fill out the enrollment blank enclosing one dollar if you wish to enroll under the deferred payment plan, or \$20 if you wish to enroll under the cash payment plan. Then pin this circular to the upper left-hand corner of your enrollment blank. **IN ADDITION TO THIS ENCLOSE ABOUT 25 WORDS OF YOUR HANDWRITING.** We will then see that you receive Miss May's analysis at absolutely no cost to you. We pay Miss May for her services. This analysis will probably amaze you with its accuracy as it did Dr. Robinson. **NO HANDWRITING ANALYSIS CAN BE SENT UNLESS YOU ENCLOSE 25 WORDS IN YOUR OWN HANDWRITING WITH THE ENROLLMENT BLANK.**

"PSYCHIANA" Inc., Moscow, Idaho, U.S.A.

Enclosed is sample of my handwriting and enrollment application. Send handwriting analysis at once.
