## **"CRUCIFIED GODS GALORE"**

This is the book which confounds those who believe that Almighty God gave to them all truths of His Great Kingdom. It proves beyond any shadow of doubt that every fundamental belief of the Christian religion existed ages before in religions which the Christian church now calls "pagan." This book, and what it contains, has never been refuted by any churchman or theologian. IT CANNOT BE REFUTED. In it you will find a list of 16 crucified "gods" all crucified before the supposed time of Christ. You will find out also where the entire Christian religion came from. This book was formerly published under the title "THE WORLD'S SIXTEEN CRUCIFIED SAVIORS." Dr. Robinson bought the copyright, revised the book, and it should be in your home—NOW.

The price of this book is \$3.98.

## **"GLEAMS OVER THE HORIZON"**

This book was written by Dr. Robinson over a period of years, and was published by The Metropolitan Press of Portland, Ore., in 1939. The sale of the book has been quite unusual. It is full of spiritual dynamite, as are all Dr. Robinson's writings. They bite. They take hold. They dispense Spiritual Truth, and that is what this world needs. It is the only thing that can ever bring it to its senses and make God a living Reality to all. Pagan traditions are dealt with in the light of modern happenings, and this beautifully-made book is one you surely should have.

The price of this book of 328 pages is \$3.00.

## **"THE GOD NOBODY KNOWS"**

This is the first book to come from the pen of Dr. Robinson, shortly after the "PSYCHIANA" Movement was born. At the present time, after several printings, the demand for this book is increasing, and Dr. Robinson is re-writing and re-editing the book, also enlarging it now. We are not sure when it will be available again, but inside of a very few months. If you send your order now, as soon as the new and enlarged edition is received, your copy will be sent to you. This is the "mellowest" book to come from the pen of Dr. Robinson. It's full of love and common sense, yet it does not compromise with "orthodoxy."

This book sells for \$2.50.

## **"AMERICA AWAKENING"**

This is another book for which the demand is becoming quite insistent. It seems that after 13 years of successful operations, the world at large is just beginning to realize that it has a true Spiritual prophet in its midst. Our books are being demanded at a greater rate than ever before, and this book, perhaps the most plain-spoken of them all, gets right down to the heart of the fraud in present day theology. Dr. Robinson usually calls a spade a spade, and he certainly has done this in this book. You should have it in your possession.

This book costs \$2.50.

## **"BLOOD ON THE TAIL OF A PIG"**

This book was released early in 1941, and 30 days later the entire printing was almost gone. A second order was placed at once, and this was an order of very considerable size. Every U. S. Senator and Congressman received a copy of this book complimentary, and scores of letters were received from these legislators about the book. It is uncanny. It is weird. It is almost unbelievable. If the things written in this book actually happened, then certainly history has never heard of such happenings before. Dr. Robinson says, "I have violated every natural law in this home this night, because God was in me in my home at 122 South Howard Street. God was in me to the very full." But read this book. It probably will outsell all of our other books. Remember—if what this book records actually happened—a new era of life is very close at hand.

**The price of this book is \$1.25.**

(The demand for this book is such that you may have to wait for it. But on receipt of your order, a copy will be reserved and mailed as soon as the publisher can supply the demand.)

## **"IS THE STORY OF JESUS CHRIST FACT OR FICTION?"**

Without considering the feelings of "orthodoxy" Dr. Robinson has here written straight from the shoulder whether or not the story of Jesus Christ is true or untrue. Did this theological character live?—or was his supposed history just a repetition of other numerous "crucified gods"?

**The price of this book is \$1.00.**

## **"SECRET OF REALIZATION"**

Tens of thousands of copies of this book have been sent all over the world. Its title tells what it contains—the secret of realization. The book is loaded with Spiritual Truth. It will do you lots of good. This is the largest selling book to date. "Blood on the Tail of a Pig" however, is selling faster than any book we have ever published. The autobiography, of course, will be the REALLY BIG book. But "Secret" should be in everyone's possession.

**Price \$1.00.**

# "SHALL WE KNOW EACH OTHER BEYOND THE TOMB?"

No one knows the answer to this question. But Dr. Robinson probably can come closer to giving the correct answer than any man alive. This man lives close to God. He knows God. The Power of God manifests through everything he does. He should be able to give us a pretty fair idea of whether we shall know each other beyond the tomb. This book is a very fast seller, and is very popular.

The price is \$1.00.

## THE "PSYCHIANA" EMBLEM

We have a lapel pin, the "PSYCHIANA" Emblem which is worn by thousands of our Members. If you would like one, and we believe you should wear this proud emblem, we shall be glad to supply you with one.

Price \$1.00.

## "YE MEN OF ATHENS"

This book, first published in 1940, is making an enviable record in our sales department. When Paul was on the road to Damascus, he saw a sign, with this inscription—"TO THE UNKNOWN GOD." This book is based upon that sign. Dr. Robinson is trying to reveal to the superstitious just who and what God is. Read this book.

Price is \$2.00.
