

To All Former Students A Most Unusual Offer But It Is For 30 Days Only

I would like to have every former Student of mine have the NEW "PSYCHIANA" Lessons. So, for the next 30 days, I am making you the following very unusual offer. As you know, money does not enter into this Movement as such. I am not interested in it, except as it is necessary to pay our expenses. The entire Movement is on a free-will donation basis now, and has been since September, 1938. We cannot operate unless the average donation amounts to \$2.00 a month.

NOW—AS TO THIS SPECIAL INDUCEMENT—if you will send us a free-will donation of \$12.00 to show our appreciation to you, we will send you, ALL AT ONCE, the FIRST THIRTY LESSONS OF THE NEW "PSYCHIANA." These marvelous Lessons seem to be about twice as powerful as the first Teaching was. At least, we are receiving far more letters telling of results than we ever received before.

SO—FOR THE NEXT THIRTY DAYS, YOU MAY HAVE THE FIRST 30 OF THESE BEAUTIFUL AND POWERFUL LESSONS. Surely you would like to make us a gift of \$12.00, even without the Lessons. So mail us your gift of \$12.00 now, and the Lessons will be sent you at once.
