

GOD WORKS FAST—WHEN NECESSARY

READ HOW FAST IN THIS CASE:—

Philadelphia, Pa., January 8, 1941

“Dear Dr. Robinson:

My friend Roy is at work for the past several weeks. You will recall that I wired you to help him when he was between life and death, and the doctors said, ‘He might have a chance.’ He had numerous blood transfusions after a ruptured appendix operation, and after which peritonitis had set in. He was kept alive in the hospital by the use of needles and drainage tubes. **TWO DAYS AFTER MY WIRE TO YOU THE DOCTORS WERE ABLE TO REMOVE ALL THESE INSTRUMENTS, AND EVEN THOUGH FURTHER COMPLICATIONS SET IN, HE CONTINUED TO IMPROVE.** The power of God is truly mindful of His own. **THANKS A MILLION DR. ROBINSON.”**

WAS THIS A MIRACLE?

READ IT AND TELL US WHAT YOU THINK

A small city in Penn., December 8th, 1941

“My Dear Dr. Robinson:

I am writing to let you know of the great miracle that occurred in my life on the evening of Tuesday, December 2nd, 1941. I had my parents at my bedside thinking I was leaving this world. My body had become all numb, but I could still speak and hear. The Living God was speaking to me and telling me that I **WAS BEING CURED OF MY ILLNESS (A DISEASE SIMILAR TO EPILEPSY).** **AS SOON AS I HEARD THAT, I WAS SITTING UP IN MY BED TELLING MOTHER, DAD, AND MY BROTHERS THAT ALSO . . .** This condition had lasted with me for exactly three years, **BUT NOW IT LOOKS AS THOUGH I DO HAVE THE PRIVILEGE OF A NEW LIFE.”**

GOD BRINGS US MATERIAL THINGS, TOO

San Diego, Calif., 10/24/40

“My dear Dr. Robinson:

So many wonderful things have come to me since my last note. **I AM LIVING IN A BEAUTIFUL HOME IN CALIFORNIA WITH MY HUSBAND, FROM WHOM I HAD BEEN SEPARATED FOR SEVERAL YEARS,** and I must say that we are happier now than ever before. **EVERYTHING THAT I HAVE ALWAYS WANTED JUST SEEMS TO COME TO ME NOW.** **WHAT ‘PSYCHIANA’ HAS DONE FOR ME CAN NEVER BE TOLD BY MERE WORDS.** When I first wrote you seven months ago, things could never have been blacker. But now I have, and get **ALL MY HEART’S DESIRES.”**
