YOU MUST NOT, HOWEVER, CONFUSE "PSYCHIANA" WITH ANY CHURCH THEOLOGY.

Our churches are among the finest, and most honest institutions. They truly believe that what they preach and advocate, are the actual truths of God. They are very much mistaken, and many leading churchmen suspect that very thing. But none have had the nerve to come right out and openly question their own theories. To do that would mean being kicked out of the church. However—whether our churches know it or not, they are, in their complete honesty, trying to do some good in the world with a theory of God which is not true. At least we don't think it is true. Moreover, we believe we can prove it untrue. And that is the reason that, in this, the ghastliest era in the history of mankind, no church—no religion—no system of theology can do more than advocate its own pet theories of Almighty God. **THERE IS NOT A SINGLE THEOLOGICAL ORGANIZATION ON THE FACE OF THE EARTH, "PSYCHIANA" EXCEPTED,** which is demonstrating the actual and literal Power of God in human lives. What we have offered to us are theories of God, which make great promises of what will happen "after we die," **BUT WHICH DO NOT, AND CANNOT REVEAL THE POWER OF GOD TO THE HUMAN RACE HERE AND NOW, WHEN SUCH A REVELATION IS SO BADLY NEEDED.**

It has been given to "Psychiana," Inc., to bring to humanity the plain, simple, yet powerful **TRUTHS** of God. Naturally, we bring down the wrath of orthodoxy on our heads because we **DO NOT BELIEVE** that 2000 years ago Almighty God, the Great Creator of this universe, was born by supernatural means in the womb of a virgin, who, though married, never had intercourse with her husband. That, to us, is a very poor concept of the Greatness of God. The truths of God, as we have proven these truths to exist, and as we teach them have nothing in common with such a philosophy as that.

“Dear Dr. Robinson:—

I am writing to tell you what “PSYCHIANA” has done for me. I took up “PSYCHIANA” about two years ago. At that time I was living in ONE ROOM AND A MIGHTY POOR ONE AT THAT, with my wife in Ironton, Ohio, and making about \$12.00 a week. Altho I had wide experience on large construction work it did not seem to do me any good. I SEEMED TO BE A BACK NUMBER. One day I happened to see one of your ads and I wrote you and soon after started to study one of your courses. Well—to make a long story short, I now have a job as supt. on a large construction job at \$540.00 a month and expenses. I live in a twelve-room house and a good one at the above address. Have a new car and all the money I need, thanks to you.”
