

All America Is Asking Itself This Question

Is There a God, and If There Is --- Why Doesn't He Stop This War?

The "Psychiana" Corporation Gives to America the Astounding
Answer to That Question

Read the Following Staggering Statement Carefully

THERE MOST CERTAINLY IS A GOD, AND A VERY POWERFUL GOD TOO. THE GOD WE ARE BRINGING TO THE WORLD HOWEVER, IS NOT THE GOD OF "ORTHODOXY." With all due respect to every system of religion on the face of the earth, we very kindly, but very positively state that no system of religion on the earth today either knows the existing TRUTHS about God, or is able to manifest or otherwise demonstrate the Power of God to stop this brutal war. The amazing fact is, that what religious organizations have been taught to believe as the truths of Almighty God, are nothing more nor less than an old pagan tradition told again.

This is a staggering statement. But it is a true statement. (For proof read FOR RENT—A CROSS by Dr. Frank B. Robinson.) The fact of the matter is that God Almighty is the greatest existing Spiritual Force, or Power on the face of the earth. Naturally, like electricity, Almighty God is an INVISIBLE Force—but the greatest Spiritual Force ever known by man.

Orthodoxy, of course, tells us that Almighty God was born of a virgin who, incidentally, was another man's wife, some 2000 years ago. We agree that orthodoxy has a right to believe and teach that if it cares to. That is its American right. The fact remains however, that in spite of that theology, one look at the world today will convince even the most skeptical that certainly Almighty God—the God of orthodoxy is an unknown factor on the earth. There is no known power so far advocated, which can stop this war, or which can demonstrate by its own actions that the power is God.

The "PSYCHIANA" Corporation, however, has another idea about God. It gave it to the world some fourteen years ago. According to the revelation of God given to the world by Dr. Frank B. Robinson, the Founder of "PSYCHIANA," Almighty God, the Great Invisible Spirit or Force which created this universe in the first place, STILL EXISTS, AND MAY BE FOUND AND USED BY EVERY NORMAL HUMAN BEING. THIS INVISIBLE POWER WHICH IS ALMIGHTY GOD, CAN DO FOR YOU WHATEVER RIGHT THING YOU NEED TO BE DONE. IT CAN STOP THIS WAR—NOT BY THE FORCE OF ARMS, BUT BY THE STAGGERING POWER OF THIS GREAT SPIRIT WHICH IS GOD.

As a result of this Teaching, we have had so many unsolicited letters that we have not room to keep them all. It is the most amazing demonstration of the actual and literal Power of God this America of ours has ever seen. Yet it denies almost every fundamental of orthodoxy which teaches that God is "in heaven" and cannot be fully known until AFTER WE DIE. WE OF "PSYCHIANA" TEACH THAT THE PLACE TO KNOW GOD IS NOT AFTER WE DIE, BUT RIGHT HERE ON THIS EARTH WHILE WE ARE ALIVE. God can do us some good then. We know nothing about what may happen "after we die."

The "PSYCHIANA" Movement is interested in only one thing. That is—bringing to all men and women, the knowledge of THE ACTUAL POWER OF THE SPIRIT OF GOD. Believe us, that Spirit exists. It can be found and known here and now, and no membership in any theological organization, or belief in any creed or dogma is necessary. THAT POWER IS HERE FOR YOU NOW. IF IT IS NOT, THERE ISN'T ANY GOD. BUT THERE IS A GOD, AS WE WELL KNOW.
