Dr. F. B. Robinson

The human race is going thru an evolution. It is experiencing a new birth. Economically, mentally, and, best of all, spiritually. Old ideas are passing away. New ideas are the order of the day. Let the old ones go—they were no good anyhow. In the realm of religion, old “gods” are being exchanged for new. Old ideas which taught that the Creator of this universe was “born in the womb of a virgin” some 2000 years ago, are passe. That type of theology was born in the dark ages. It belongs there. All it has done is keep the human race in subjection to fears of hell and hope of heaven.

The new idea of God is far more correct. It suits this changing age, because, instead of hoping against hope for some great benefits “beyond the tomb,” it makes possible the finding of the actual and literal POWER of GOD, right here and now. Yes—right on this earth. For I say to you that you, whoever you may be, can, if you want to, actually find and use the staggering Power of Almighty God right here on earth, and right in your home. And you need not ever see the inside of a church either. Your relationship with God is a strictly personal matter. Churches, priests, nor preachers have anything to do with it. God intended that the Discovery of that Great Power should be made BY YOU, and RIGHT HERE ON EARTH WHERE YOU CAN USE IT TO THE VERY FULL.

(See other side)

The God we need, and the True God who exists, is a God who is interested in your financial, spiritual, and material welfare right here. It is a God whose Power any and all may call upon and use, and the use of that Great Power is a scientific fact. You learn how to use the actual and literal Power of God just like you learn arithmetic. And the results are just as scientifically sound and sure as is arithmetic, or any of the other sciences.

It took a very humble, yet a very great man to bring to this earth, this staggering new fact of the existence of The Spirit of God. Great—because he is so simple. And his simplicity lies in his personal knowledge of this new scientific religious discovery. It is becoming more and more evident that this new picture of God is a true picture. In fact, it is the only true picture which has ever been brought to the human race. And it proves itself. Just as you KNOW that two and two make four, so you can KNOW that the actual and literal Power of God is available, in all its wondrous beauty and amazing Power, right now.

**If you are financially poor, you can use the Power of God to make you rich. If you are socially obscure, you can use the Power of God to bring you into prominence. If you are ill in body, you can use the Power of God to make you whole. What more can you ask of God than this? The old ideas of God could never do these things. That is the reason why, in this changing age, they are passing away. When the world at large discovers what the Students of Psychiana are discovering, what a world this will be. It staggers the mind to even think of it. Yet this Power IS HERE, IT IS HERE FOR YOU.**

We know what we are talking about. But you must act. You can throw this slip of paper away if you care to. That is your business—not ours. But if you are wise and smart, you'll allow us to show you the EVIDENCE FIRST, of the existence of this Great Power. Then, you will hurry to climb aboard the band-wagon of those who, every day they live, are using the Power of The Spirit of God. Mail your application blank to:
