

THE "PSYCHIANA" RELIGION

FRANK B. ROBINSON, D.D., Ph.D.
FOUNDER AND DIRECTOR

MOSCOW, IDAHO

INVITATION NUMBER THREE

My dear friend:

The actual Power of God can make you what you should be. That matchless Power, throbbing and pulsing like the tides of the restless ocean, is, even now as I write this to you, waiting for you to draw on its matchless and fathomless store-house. With the actual Power of God in your life, your future can be a thing of beauty and joy. You know that.

Jesus said:- "All Power is given unto Me, go ye therefore....". The Power we are using, and urging you to become acquainted with, is the very same Power Jesus used in the performance of His many miracles. It is the Power of God. No matter what your previous ideas of God may have been, and they are all good no doubt, we are coming to you with knowledge of the actual POWER ITSELF.

There are so many theories of God—so many different sects and denominations, all of them teaching certain "beliefs" about God, that it is refreshing to find someone who can bring into your life, knowledge of the actual and literal POWER WHICH IS GOD. That—is something you have known of before. That—is something you have not yet experienced—isn't it?

I am inviting you once more to allow us to bring to your attention, the greatest Power this world can ever know—the actual Power of God. If this world knew this amazing Power, nations would not be flying at each other's throats as they are now doing. All would be a serene peace. Eternal life would be possible through this same Power, for the Power is God. And God is life. And life is life, and not death in any sense of the word.

What is it which is holding you back? Are you not convinced of my earnestness—or do you think this is just another scheme to get your money? My friend—your money does not interest us in the least. If there was some way we could operate without paying our operating expenses, we certainly would do so. But there is not. We must make a charge in order to meet our obligations. You know that because you have to meet your obligations. We operate on a very large scale. We are bringing knowledge of the actual Power of God to the millions—and that is the only reason we charge—we must have sufficient money coming in to meet our expenses.

Won't you please believe that I am honestly trying to help you? Won't you give me the benefit of the doubt? If you should not like this Teaching, you can have your money back. I am inviting you once more to allow us to tell you what the Power of God, in these perilous days, can do for you.

Cordially yours

Frank B. Robinson
