

# THE "PSYCHIANA" RELIGION

FRANK B. ROBINSON, D.D., Ph.D.  
FOUNDER AND DIRECTOR

MOSCOW, IDAHO

## INVITATION NUMBER FOUR

### DANCING FLASHES OF POWER

My dear friend:

Deep down in your nature—at the very core of it—lies an indefinable something which tells you that the actual Power of God can be found by you. You have never found it yet—but you feel that It can be found. You know that the whole world is rapidly approaching what could be complete annihilation, all because no one has been able to present to it, a concept of God which can reveal the actual and literal Power of God.

When I received the concept of God which I am trying to tell you about, there came into my life a Power so staggering in its magnitude, that all other powers and forces faded into insignificance beside it. That Power so transformed my life that whereas I was then an insignificant failure, a piece of flotsam and jetsam hopelessly tossed about by the winds of fear and fate, I am now known the whole world over as "THE MAN WHO TALKED WITH GOD". And when I tell you that I talked with God, I mean actually and literally.

I had expected to have received your membership application before this. It makes no difference what religious organization you belong to, the Power of God can come into your life, and fill it and thrill it with a peace and a Power you have never known before. You do not have to believe anything. It is not a case of belief—it is a case of finding, and using the actual Power of God for the accomplishment of every good thing you need in this life, and whatever other life there may be.

Remember—your money does not interest us. We are completely non-profit. Our property here in Moscow is church property. It is all tax-free. So we can have no other motive in writing you than to carry out our mission in life. That mission is telling men and women the wide world over, of this shimmeringly wonderful new discovery of the Power of God. It is utterly unlike anything you have ever heard of.

Won't you please, for your own sake, and the sake of your family, if you have one, mail enclosed membership-application blank? Thank you.

Cordially yours

*Frank B. Robinson*
