

A Personal Letter to You from

# Psychiana

Moscow, Idaho

Dear Friend,

*Changed in May 1950*  
**HERE IS YOUR WORD STORY OF HOW DR. ROBINSON DISCOVERED  
THE POWER OF GOD! READ IT WELL AND CAREFULLY.**

There isn't one of the millions who have read this free LECTURE who has not at sometime or other stopped to wonder what life is all about. How does it happen that we are here, and, since we are here, why aren't we all extremely happy? Why do we have such things as poverty, diseases, sickness, unhappiness, crime—Why are they permitted to exist? Why all these devastating wars? Why all this terrible suffering? Why? There is a meaning to this life of yours. A wonderful meaning.

Your relationship with God is a strictly personal matter. Churches, priests, nor preachers have anything to do with it. GOD intended that the DISCOVERY of HIS GREAT POWER should be made BY YOU, and RIGHT HERE ON EARTH WHERE YOU CAN USE IT TO THE VERY FULL. Listen carefully—it is simply because we do not, or will not, understand the great GOD-LAW that governs our creation. Perhaps it has never been explained to you before. But, there is A MEANING TO THIS LIFE OF YOURS—a living, moving reality, and when you discover it, you will find it is fascinating—it is powerful—it is dynamic. For the same mighty operating GOD-LAW which illumined the mind of an Edison, a Marconi, a Robinson, can and will illumine your mind—if you will let it. It can stop these ghastly wars. It is electrifying. It is powerful. It can do wonderful things for you.

Twenty years ago the Founder of this Teaching was a humble drug clerk. He had nothing. His life had been practically wasted. But, the first glimpse of the GOD-LAW transformed, transfigured, and completely illumined his life, and—GAVE HIM THAT TRUE MEANING TO THIS LIFE OF OURS. Now it is possible, through this series of lessons written by Dr. Robinson, for you to come to that realization of the POWER OF THE SPIRIT OF GOD IN YOUR LIFE. These lessons are simple to understand but, oh, so powerful and dynamic. Dr. Robinson lived in very close contact with the great God realm. He accomplished the seemingly impossible. He was a true prophet of God.

You, too, can, through the mighty impulses of the GOD-LAW achieve what you want. You can have everything in life you want if you will but stretch forth your hand. If you are financially poor, you can use the Power of God to bring you material wealth. If you are socially obscure, you can use the Power of God to bring you into prominence. If you are ill in body, you can use the Power of God to make you whole. What more can you ask of God than this? The old ideas of God could never do these things. That is the reason why, in this changing age, they are passing away. When the world at large discovers what the Students of Psychiana are discovering, what a world this will be. It staggers the mind to even think of it. Yet this Power IS HERE, IT IS HERE FOR YOU.

Don't wait, fill out and mail the enclosed application today. The Psychiana teaching is not operating for profit; the sole aim and ambition of Psychiana is to bring to men and women the truths of God, as Dr. Robinson proved them to exist. They are staggering, scintillating truths.

Cordially yours,

*Psychiana*

# Think What Your Life Would Be With the Power of God

## From West Virginia—

I am writing this letter to let you know how wonderful I think Psychiana really is. I have been studying with a friend. I think it to be the only real truth of God to ever be taught.

In less than six weeks when I started in the first course I had made connections with God. It has changed my life completely. I'll praise Psychiana the rest of my life. . . .

## From Oklahoma—

I received your third lesson and I can say I truly was surprised and pleased. It really is a very astonishing lesson, but anyone can see that it is a true thing if they would only stop for a moment to realize the truth of the matter. . . .

## From Virginia—

. . . . I wish to express my most grateful appreciation for the teachings of Psychiana. Although I have received only three lessons I have gained the knowledge of the Spirit of God dwelling in me and I can now commune with the Spirit of the Living God personally. . . .

## From Wisconsin—

I subscribed to your course of lessons in 1947, and since have demonstrated, through the God Law, so many changes in our circumstances that it would seem miraculous!

As you see by the stationery I have become established in my profession again, which I had given up prior to World War II. . . .

## From Vermont—

I want you to know that I am already a very different person than I was when your first lesson came to me. When that arrived nothing mattered much, life really didn't seem worth bothering with, but now let me tell you that there is a *something* within me that is very peaceful, and I have a sense of security that I never in my life have felt before. God never was as near to me as right now. . . .

## From Maine—

Four days have passed since receiving Lesson Eleven. This Lesson has opened up the way to the Realm of God more clearly for me. . . . It was a lucky day for me when I answered your advertisement. . . .

Thanking you again for the help you have given me. . . .

You can save \$8.00 by sending in \$32.00 cash.

\$8.00 saved is \$8.00 earned.

Psychiana is a strictly non-profit movement. It is not interested in your money. It is interested in you and God. The only reason we make a charge is because of the magnitude of our operations, which cost us hundreds of thousands of dollars a year to finance. We operate exclusively by mail. It is only fair that our Members should pay for support of the Movement, as that is the only way in which we can operate. It is the American way. But do not think, because a charge is made for this teaching, that Psychiana is a commercial organization. It is not.
