Dear Fellow Member,

It is again time for news and views from Psychiana to you, our friends and members. We sincerely enjoy sending our Newsletter to you as we want each and every graduate member to have the latest information concerning our activities.

First off, I know that many of you saw the write-up which appeared in the October issue of *Magazine Digest*. This article was a condensation of a recent book by Dr. Charles S. Braden entitled *These Also Believe*, published by Macmillan Co. The second chapter was devoted to a study of Psychiana. Other groups are also described and discussed at length, and, taken as a whole, this book provides enjoyable reading to those interested in contemporary religious faiths.

Another innovation I'm sure you will all welcome will be the new *Psychiana Bulletin*. The new Bulletin is 8½" X 11", 6 full pages in length, with many fine illustrations. The new Bulletin brings to our readers each month an article by "The Wayfarer," the Question and Answer section, the Children's Page (for which there has been a great demand), and letters from our members throughout the world. We feel that this publication will please each of you and that it will be a new medium through which contact between us can be maintained. The cost of this publication is very low, being only \$1.00 for 12 full issues. I have directed that a subscription card be enclosed for your convenience. And please let us have your opinion on this new publication.

Last June we made it possible for our present active members (those who are receiving the Primary Lessons only) to receive any of Dr. Robinson's books under a *Special Reduced Price Plan*. We felt, too, that if anyone deserved to participate in this offer it would be our graduate members. Therefore, I am enclosing the exact offer that we sent out in June, 1949, and I know that you will want to obtain those books for your Psychiana library which you do not already have. Simply use the order form printed on the back of this Special Offer. We only ask that you send in your order within 30 days as we are set up at the present time to handle your Reduced Price order for Dr. Robinson's books.

Lastly, I want to personally thank those of you who, during this past year, have sent donations and contributions in to us so as to further the Psychiana Movement. These gifts are used in our work and are doing a job which would otherwise remain undone. If my father were living I know he would say to you, "Thank you, and May the Spirit of Infinite Peace be with you -- always. God bless you all."

May the best of everything be yours throughout the coming year.

Alfred B. Robinson
