

LIFE'S REALITIES

DO NOT FIT IN WITH MUCH OF WHAT WE HAVE BEEN
TOLD IN THE PAST.

• • •
The universe in which we live is cruel
• • •

The forces of nature, or "ACTS OF GOD" as they are sometimes called by poor, misguided souls, strike without consideration of what will happen to whom. When rivers overflow their banks, sweeping away human lives and property as we have recently witnessed—when tornadoes, storms and earthquakes wreak their havoc, or when volcanoes throw forth their fire and molten metal burying whole cities, THEY ASK NO ONE'S PERMISSION.

They don't differentiate between the "godly" and the "ungodly," the "good" or the "bad," the "just" or the "unjust," the rich or the poor, the saint or the bum. THESE FORCES ARE CRUEL, AND, INCIDENTALLY, WHOLLY OUT OF STEP WITH THE ECCLESIASTICAL PORTRAYAL OF A "LOVING FATHER" WHO CARES AND PROTECTS.

SO LET'S FACE THE FACTS

We believe there has always existed a Spiritual God-Law which is abundantly able to bring to you whatever things you need—here and now. It can solve your every problem if you will let it. We believe this invisible dynamic Law to have ever existed. We believe it is God. And we think we can prove this. At any rate, we would welcome the chance to prove it. And there's nothing strange about that. We are creatures of evolution. We like to look to the past for our inspiration, instead of looking to the future for it. If God exists at all, or if the God-Law exists, it exists here and now, for all alike, and for the purpose of bringing to each and every one of us, an abundance of material, as well as spiritual supply.

That is What Psychiana Teaches

THIS TEACHING PROBABLY WILL SUPPLY THE LACK IN
YOUR LIFE.

GIVE IT A TRIAL THAT'S ALL WE ASK

What **MYSTICAL POWER**

wheels the planets and celestial bodies in their orbits, guiding the destiny of thousands of solar systems like our own???

A dynamic, vital LAW or INTELLIGENCE is, moment by moment, in operation throughout this entire universe! Do you think our great solar system came into being purely by chance? And do you think the planets are haphazardly roaming through space? No, my friend, the MIGHTY GOD-LAW is guiding the destinies of the celestial bodies ACCORDING TO LAW, and this GOD-LAW is ready to go to work in YOUR LIFE, if you will let it!

What **MIGHTY IMPULSE**

caused certain chemical and biological Laws to exist thereby making it possible for grain to grow, flowers to bloom, and LIFE TO EXIST on this old earth???

Does a kernel of wheat have enough intelligence or "thinking ability" to grow all by itself into a husky stalk of waving grain? The growth and sustaining of ALL LIVING AND GROWING THINGS is accomplished by a POWER which is ever-ready to assist us WHEN WE REALIZE that fact. The GOD-LAW gave us life in the first place and, moment by moment is SUSTAINING THAT LIFE IN OUR HUMAN BODIES, whether we recognize it or not!

Can **FEAR, WORRY and INSECURITY**

in a human life be replaced by PEACE, CONFIDENCE, and SPIRITUAL as well as MATERIAL SECURITY through a MIGHTY LAW OPERATING HERE AND NOW???

Our researches into the realm of the God-Law have proven to our satisfaction the existence of a mighty living Spirit which is God, and which is so dynamic that it can bring into every life whatever things are necessary to complete HAPPINESS, PEACE, and SPIRITUAL as well as MATERIAL SECURITY!
