THE SECOND ANNIVERSARY ISSUE OF *The Way* TOPS ALL TODATE!

We have bent every effort to make our second anniversary issue of THE WAY the best yet --- and I believe we accomplished it!

However, many people will write to us later on requesting this issue (as they have done in the past) and I'm afraid they will be disappointed, since we print only the exact number on our subscription list.

WE DON'T WANT YOU TO BE DISAPPOINTED! And this is why we are reminding you that your subscription has expired and that you stand a chance of not being able to obtain our SECOND ANNIVERSARY ISSUE at a later date.

As Longfellow once stated: "Do not delay: the golden moments fly!"

We know you won't want to miss the first in a series of four articles by *The Wayfarer* which begins in the June, 1950, issue of THE WAY. But listen to *The Wayfarer* himself:

"It is good to be alive. This basic premise is worth repeating, even as a daily affirmation. It connotes a fundamental attitude toward 'being' which should characterize all thoughtful religious people. This is predicated upon one idea that life is dynamic, filled with wondrous factors, known and unknown, in part from yesterday revealed to us, broadened by today's experiences, and filled with promise untold for the future."

Our other regular features round out this fine issue: the Hermit, an inspiring article from the writings Dr. Robinson, your editor comments on interesting facts and situations, and we are producing for the first time in this issue an outstanding letter we recently received from one of our members. In fact, we gave it priority over other features. Don't miss reading what the Spirit of God accomplished in this particular life!

But hurry! Get your subscription in as soon as possible before May 15, 1950.

Just fill out the subscription card, enclose \$1.00 for 4 issues in the envelope provided and mail to us. Then you won't miss out on this special issue of THE WAY.

Sincerely,

Alfred B. Robinson
