1951

Dear fellow-member,

As time ushers out another year, we would like to usher in our periodical *NEWSLETTER* to our members. We have a great deal of news for you from those of us here at Psychiana, which we know you will be vitally interested in!

First of all, we want all of our Graduate members to have the opportunity of participating in the Special Summer Book Offer we prepared last summer, under which 10 of the most popular Psychiana books were offered at exactly $\frac{1}{2}$ price! Now, the reason we are again able to make this unusual presentation is that many of our publications will be coming up for reprinting shortly and we must have more room and space for these incoming shipments. As you will notice, the total regular cost of these books is \$53.75, and one-half price would be \$26.85. However, if you order *all ten* of these dynamic Psychiana editions an additional discount of \$1.85 will be allowed making a total cost of \$25.00 if all ten books are ordered. In other words, *you can save \$28.75 by ordering all ten books!* Even if you already have two or three of Dr. Robinson's wonderful books in your library, they will make excellent gifts for your friends.

I think that right now is an appropriate time to extend our thanks. Yes, we want to thank each and every one of our members who in 1950 sent donations to us to help the tremendous work we are doing. The donations which were sent to us this past year have helped tremendously to carry out the task before us, and we now take this opportunity of giving our "Thanks" for your contributions. Many have asked us to prepare a special donation envelope for them, and so you will find enclosed with this *NEWSLETTER* a special envelope for this purpose. (All letters containing cash should be registered for your protection as well as ours.)

Due to many demands, *The Psychiana Bulletin* has been enlarged, and with the February, 1951, issue will have an entirely "new look!" In handy pocket-size, the new *Bulletin* contains many more features and articles, but the price has not changed --- \$1.00 for 12 full issues! We suggest you get your subscription in the mail now so you won't miss a single issue of the new *Bulletin*, as we know you will especially enjoy Marcus Bach's new feature, *LIVING THOUGHTS FOR BETTER LIVING*.

We would very much appreciate hearing from you now and then, and may we wish you a "Very Happy New Year." And until our next *NEWSLETTER* reaches you, may the Spirit of Infinite Peace be with you Always.

Cordially,

A handwritten signature in cursive script that reads "Alfred B. Robinson".
