

# CAN YOU PICTURE YOURSELF

## AS YOU WOULD LIKE TO BE?

You know what your needs are, but can you picture yourself and your life as it would be if you had all your wants supplied? Your life is full of wants and desires. The need for many, many things exists. But wouldn't it be nice if every right desire and need you have could be fulfilled? That security . . . that peace of mind . . . that feeling of absolute mastery which you want to thrill every fiber of your being. Wouldn't it be nice not to be dependent upon anyone else? Wouldn't it be nice to be a leader instead of a follower?

## OF COURSE IT WOULD

Well, what would you say if we told you that a great power-realm exists for the express purpose of bringing to you all your wants and desires? What would you say if we told you that this great power has existed from time immemorial for this very purpose? Wouldn't you strain every effort to find that power? We believe that power exists, and this is the new picture of God we have given to the world, which picture has had such an amazing growth. (67 countries in its first year). Psychiana is now in its 20th year.

Dear Psychiana,

I am writing this letter to let you know how wonderful I think Psychiana really is. I have been studying with a friend. I think it to be the only real truth of God to ever be taught.

In less than six weeks when I started in the first course I had made connections with God. It has changed my life completely. I'll praise Psychiana the rest of my life. . . .

Yours truly,  
Mrs. M. Y.

Dear friend,

I subscribed to your course of lessons in 1947, and since have demonstrated, through the God Law, so many changes in our circumstances that it would seem miraculous!

As you see by the stationery I have become established in my profession again, which I had given up prior to World War II. . . .

Dr. Robinson,

I received your third lesson and I can say I truly was surprised and pleased. It really is a very astonishing lesson, but anyone can see that it is a true thing if they would only stop for a moment to realize the truth of the matter. . . .

Sincerely yours,  
Mrs. O. K. B.

Dear Dr. Robinson,

I want you to know that I am already a very different person than I was when your first lesson came to me. When that arrived nothing mattered much, life really didn't seem worth bothering with, but now let me tell you that there is a *something* within me that is very peaceful, and I have a sense of security that I never in my life have felt before. God never was as near to me as right now. . . .

Sincerely yours,  
Mrs. C. B.

Dear Dr. Robinson,

. . . . I wish to express my most grateful appreciation for the teachings of Psychiana. Although I have received only three lessons I have gained the knowledge of the Spirit of God dwelling in me and I can now commune with the Spirit of the Living God personally. . . .

Most gratefully yours,

Dear Dr. Robinson,

Four days have passed since receiving Lesson Eleven. This Lesson has opened up the way to the Realm of God more clearly for me. . . . It was a lucky day for me when I answered your advertisement. . . .

Thanking you again for the help you have given me. . . .

Sincerely,  
Mrs. C. M.
