

# To All Students

## AN OPPORTUNITY TO INCREASE YOUR EARNINGS

As you doubtless know, "PSYCHIANA" is growing very rapidly. It is the only Teaching so far as we know that actually teaches and demonstrates the present existence of the Spirit of God on this earth. Hence its phenomenal growth. There is a very unique opportunity to all Students, whereby they may increase their earnings by giving either part or full time to this Movement. The work is very wonderful, and, aside from the financial returns possible, gives you an opportunity to help me spread this marvelous Teaching throughout the length and breadth of the land.

For some time now we have been appointing Agents who may represent "PSYCHIANA" in their respective communities. The remuneration is quite large, and is based upon the success which attends your efforts. "PSYCHIANA" Study Groups also are being formed by our Agents, and it looks as if the next few years will make this the most powerful religious Teaching in America, if it isn't that already. When men and women discover that there does exist a God-Law which can, and will, and does manifest its Power in human lives, you may depend on it they will be only too eager to grasp the opportunity to find out all about such God-Law.

If you would like employment, either full or part time, acting as our Agent, please write to me personally and I will send you all necessary instructions. We have in the neighborhood of 200 of such Agencies in existence now, but I want to have about 10,000 of them. So write me personally, and I shall send you by return mail all particulars.

Sincerely your friend and teacher,

*Frank B. Robinson*
