My dear friend:-

We have sent you the free information promised you when you replied to our advertisement, which calls attention to what the Power of God is accomplishing in human lives throughout the world today.

On account of the demand for this information, and on account of war-time conditions, it is taxing our capacities to supply this demand for information about the Power of the Spirit of God.

We have sent you an application blank for enrollment, but you have not as yet returned it to us with your signature and enrollment. It is necessary therefore that we receive from you, an expression as to whether or not you desire further information about the Power of God, before enrolling for the complete Teaching.

We are therefore asking you to fill out and mail the enclosed post-card to us if you desire further evidence of what Almighty God is doing on the earth today. Naturally, being the Movement through which the Spirit of God is operating, we are very eager that every American receive full information about what the Power of God is doing. But we cannot, however, continue to mail free information to those who are not in deadly earnest in their desire to manifest the Spirit of God in their lives, here and now.

If you really are in earnest, and if you would like us to send you more information about what the Spirit of God can do in your life, fill out and mail the enclosed card at once, and the free information will continue to come to you. If, however, you are not interested in the Power of God in your life, please throw this card away, and this opportunity to find and use the Power of God will have passed from you to someone else.

This card needs no postage, so, if interested, fill it out and mail to us now. Thank you very much.

Cordially yours,

Frank B. Robinson
