MOSCOW, IDAHO

My dear friend and fellow-American:

I received your post card asking for more information about this Teaching, and the free lecture I promised you. It is enclosed. Read it carefully. Millions have read this lecture, and as a result, they have found the electrifying Power which you too will find, in all probability.

For this God-Power does exist. Believe me it does. If any man knows, I am that man. My only object in coming to you with this message is that I may be instrumental in showing you how you may find and use this most staggering of all invisible Powers. I am very much in earnest. You have nothing I want, nor is there anything you can do for me. I can do you the greatest service though. For I can, and will, if you will let me, show you how you personally can find the fullness of the invisible God-Power. And I mean just that.

When this marvellous revelation of the invisible Power of the Great Spirit-GOD, came to me, there came with it an intense desire, yes, it was a duty, to tell men and women the wide world over what the actual TRUTHS of God really are. And believe me, they are far removed from what our religious organizations have taught.

But we won't go into that now. The lecture tells the fascinating story--- at least part of it. So keep quiet and undisturbed as you read it. For this discovery of the actual and literal Power of God, is the most scintillating, stupendous religious discovery ever to be brought to the human race. You are fortunate in having this opportunity to learn these TRUTHS, coming, as they do, direct from the Realm of the Spirit of God, right into your own life.

They are not my Truths. They originate in the Realm of the God Law and I am only the human medium thru which they are being revealed to the human race. You've heard of me. COLLIERS WEEKLY, TIME, TIDE, PIC, THE AMERICAN MERCURY, THE PATHFINDER, THE GOSPEL ADVOCATE, THE SUNDAY SCHOOL TIMES, THE CHRISTIAN CENTURY, THE METHODIST ADVOCATE, THE NEW WORLD, THE CATHOLIC REGISTER, THE LUTHERAN COMPANION, and literally hundreds of other magazines and newspapers have written this Movement up, so you see, it is an international religious movement, staggering in its import.

That is all I have to say to you in this letter. Except to repeat what I said to you when I first came into your home---I WANT YOU TO KNOW THE POWER OF ALMIGHTY GOD. Yes I do my friend. All you have to do is make it possible for me.

Cordially yours,

*Frank B. Robinson*
