MOSCOW, IDAHO

My dear friend and fellow-American:

In this letter I am sending you a picture which shows just how anxious the American people are to find the actual and literal Power of the Spirit of God. Whenever I decide to make a public appearance, the crowds follow, believe me they do. For they are looking for AUTHENTIC INFORMATION ABOUT GOD. That's why this world is plunged into horrible warfare today. There isn't a single religious organization in existence, except this one, which can actually show men and women where the Power of God lies, and HOW they can use this scintillating, stupendous Power.

It takes a direct revelation from God to do that. You can't just take a lot of old traditions and offer them to the American people today, and say "This is God---please take it". No. The American people are from Missouri. They'll have to be shown. So, they are coming to us in ever-increasing numbers. For our fame has gone far and wide. Not because we have "just another" concept of God, but because marvellous things happen in the lives of those who come to us for authentic knowledge of the actual and literal POWER OF GOD.

That's all we know. That's all we teach. And we want you to know the Power of Almighty God. That is the reason, and the sole reason. As I told you before, you have nothing I want. You never will have. But I have something YOU want. And let me say to you here that if you do not find the Power of God in all its majesty, while you live on this earth, YOU'LL NEVER FIND IT.

For the God who created this universe, and you, and me, is all powerful. He has Power to create life, and He has Power to sustain it in perfect health indefinitely. When we on earth know the fullness of the Power of The Spirit of God, we'll never die. For God is LIFE, and LIFE is not death in any form. Yes---there is an abundance of overwhelming Power for you. It remains but for you to come along with us and learn these Truths of God, which, sooner or later, will sweep the world with their majesty and Power.

And I, having received this revelation direct from the Realm of The Spirit of God, am doing everything in my Power to bring these selfsame TRUTHS to you. That is all I live for my friend. Won't you then, come to me, and let me show you whether or not I can reveal the Power of God to you, as that Power has been revealed to me? I feel sure you will. But do it quickly, please. There's no sense in your living longer without the Power of God---is there?

Cordially yours,

*Frank B. Robinson*
