MOSCOW, IDAHO

My dear friend and fellow-American:

The Power of God has been described by me on the platform many times, as "DANCING FLASHES OF POWER". That is what it really is. When you make the first contact with this superlative, electrifying, dynamic God-Power, the first thing you will notice is the Power that comes into your life. Power beyond your wildest dreams. Power to do every right thing you want to do. Power to cast out of the life, your life, everything in it which, heretofore you could not master.

For in the Spirit of God lies the answer to every problem. There lies, too, Power to bring you the answer to your every problem, so that, in any emergency, you can draw upon the fabulous Power of God, and that Power, like the Great Sleeping Giant It is, rushes to your assistance, and for the first time in your life you really know what Almighty God is, and what The God Power can actually do for you.

It can replace poverty with wealth, if that's what you want. It can replace ill-health with abundant, radiant health, and the reason it can do this is because it is the Power of God. Surely the Power that created the human body can keep it in perfect peace, and in perfect health. Yes--there exists for you the very fullness of the Spirit of God. That--and very much more.

So again, I wonder just why it is you haven't come to us with your enrollment blank. What is that? I know that you want the Power of God more than anything else in life. Perhaps you don't believe I can reveal that Power to you. In that case, you are very unfortunate, for it will be only your doubt and skepticism which is keeping you out of the most blessed experience of the God-Law that can ever come into your life. It certainly will be your fault. Not mine. For I have done everything I can do to REVEAL THE POWER OF GOD TO YOU. But I cannot do that unless you send me your membership application. Can I?

Won't you please send the membership application to us today? Remember--all this correspondence you have been receiving from us just means one thing--it just simply means that we have made a spiritual discovery of the greatest magnitude, and, we want you to share in this discovery. In other words, I WANT YOU TO KNOW THE POWER OF ALMIGHTY GOD.

Cordially yours,

*Frank B. Robinson*
