My dear friend and fellow-American:

If I were to come into your home and offer you a priceless treasure, perhaps a gem worth ten thousand dollars, you certainly would accept it--wouldn't you? Or if I were to come into your home and offer you a certified check for \$1000.00, you'd accept that too---wouldn't you? Of course you would.

Well I'm offering you, my friend, a priceless treasure which money can never buy. The Power of God is not bought or sold. It is a free gift. Your common-sense will tell you that, operating as we have chosen to, entirely by mail, our expenses are high. At this writing, our operating expenses alone are over \$36,000 a month. That shows you something of the size of the "PSYCHIANA" Movement. It is not a small affair by any means.

There has to come in enough money to meet our operating expenses, and take care of the unusual growth. Our printing all costs money, and we are paying the Moscow Post Office, at this writing, more money than the rest of this City pays. About three to one in fact. So you understand why we charge. Anyway, what is offered free is very lightly thought of.

However-- I don't want you to think that your money interests me. I assure you it does not. But YOU interest me my friend. I WANT YOU TO KNOW THE POWER OF ALMIGHTY GOD. And I cannot show you how to find and use that Power if you do not apply for membership. So, I am making a very greatly reduced offer to you. If you are in earnest, you will take advantage of it at once.

Of course--you may be one of those few people who do not believe in God. And if you mean by that the "god" of theology, I don't blame you for that unbelief. But will you allow me to say to you that the Spirit of God is the greatest, most dynamic Power on the earth today? And will you believe me when I tell you that the only interest I have in you is in revealing the Power of the God-Law to you?

You must believe me. I should not have written to you as many times as I have if I had any other motive. No--I WANT YOU TO KNOW THE POWER OF ALMIGHTY GOD, AND I'M MAKING IT VERY EASY FOR YOU, IF SHORTAGE OF MONEY IS THE REASON YOU HAVE NOT APPLIED FOR MEMBERSHIP.

When you discover the amazing Power of God, you will also find that this Power can bring to you a super-abundance of every material possession. God certainly can provide money if that is needed. So suppose you send in this Special Membership Application now. Won't you?

Cordially yours,

Frank B. Robinson
