

IS DEATH NECESSARY?

This problem is uppermost in the mind of every thinker, especially when human life is being ruthlessly blasted into eternity by those European madmen, who, in their colossal ignorance of the Laws of God, have sought to rule completely this universe. This, they will never do, for, in spite of the fact that it may seem there is no God, let us assure you that the Power that created this universe still sustains it, and these murdering totalitarian leaders will come to their end just as sure as tomorrow's sun shall rise.

Enclosed is my 6000-word treatise as promised. In it you will find some truths of God which have been given to this world for 12 years, and through which hundreds of thousands of men and women have found God to be a literal reality, and a Spiritual Power which they can use in their everyday lives. This corporation operates entirely by mail. We advertise internationally, and secure our members in that manner. Naturally, a charge must be made or we could not operate, as it is very expensive to advertise as we do, and conduct a religious movement entirely by mail. If, however, for any reason at all, you should not feel like studying with us, or if you, after you have enrolled, want to quit, then send the Lessons back and a check in full for whatever you have paid will be mailed to you. We are not interested in your money, we are interested in your finding the Power of the Spirit of God in your life, and then, after you have found that Power, join with us in throwing it against those who, by brute force, would rule this earth by a band of steel and blood.

The enclosed treatise will probably open your eyes. We do not believe death to be necessary when the fullness of the Power of God becomes fully known. This subject, and many other subjects are fully covered in our Lessons, and if you would like to know something of the Power of God, we respectfully solicit your enrollment. DEATH--AS EUROPE IS WITNESSING IT, IS NOT NECESSARY. IT CAN BE STOPPED. But IT CAN ONLY BE STOPPED BY THE POWER OF GOD.

Sincerely yours,
