WILL YOU LET ME GIVE YOU SOMETHING?

My dear friend and Fellow-Student:

You don't want to go through life with the knowledge that you have in your pocket, money that rightfully belongs to me, do you? Of course you don't. You never could get anywhere permanently if you did. For there is at work in this universe, whether you know it or not, a LAW. It's inviolable. It's unalterable. It's permanent. Any attempt to evade that LAW invariably mires us deeper down. This is the LAW we are teaching. It can make or break you. Never doubt that, for I know what I am talking about.

I'm not saying that it's not possible for you to keep from me what rightfully belongs to me. Nor am I saying that you cannot make me suffer, by not doing what is right and paying your bill--for you can. Of course you can. But what YOU CAN'T DO IS BEAT THE LAW. You can't do that. For this Law is far greater than any human law. It's the Law of God. "WHATSOEVER A MAN SOWETH, THAT SHALL HE ALSO REAP." No--that Law is invulnerable. We can never escape it through this life. And if one wrongs another, which is an easy thing to do, or if one keeps from another what rightfully belongs to another, the LAW will automatically take care of the results. That's inevitable.

But I don't believe you want to keep money in your pocket which rightfully belongs to me. I don't believe you want to put yourself where it can always be said, "That person owes Dr. Robinson money." No. I don't believe that. But the fact remains that you do, at this writing. I'm going to make it pretty easy for you to get that load off your mind. So I'm going to give you something. Here's what it is. If you will send me now the sum of \$.....which sum belongs to me, I'll send you absolutely free and postpaid, one copy of "BLOOD ON THE TAIL OF A PIG," my most sensational book. More than that, I'll autograph the book just to show there are no ill feelings. Won't you do this? I trusted you, and now, you play the game and the book is yours. The sum you owe again, is \$.....

Your conscience will clear at once the moment you get this money to me. And you'll like the book too. I know that.

Cordially yours,

Frank B. Robinson
