SO NEAR---AND YET SO FAR

My dear friend and fellow-American:

You know, it is a fact that at least once in this life, we come so close to fortune, happiness and that strange "something" which inevitably leads us on to the fulfillment of our heart's deepest longings. As Shakespeare said;- "THERE IS A TIDE IN THE AFFAIRS OF MEN WHICH, TAKEN AT THE FLOOD, LEADS ON TO FORTUNE".

You came awfully close to that flood-tide of Power. For some reason unknown to me, you decided to allow it to pass by your door. In fact, you closed the door to it. When the one Grand Opportunity knocked, you opened the door, took a look, and foolishly closed the door in the face of the one Power which could have changed your entire life.

You are fortunate that I am interested enough in you personally to come again. Make no mistake about it--if the motivating impulse of my life was not the complete regeneration of the human race by the Spirit of God, whose Power I know, you would not receive this letter. You don't have money enough to interest me otherwise. For I am not now, and never have been interested in "selling" you anything. The literature I sent to you is only the material means of telling you what the overpowering Spirit of Power can do for you. Hundreds of thousands have proved that over the past twenty years. You could have proved it too--but you passed the opportunity by.

So now I come to you again. I enclose another Membership-application form. I want you to know the actual and literal Power of God. I am in earnest my friend--believe me. If you were only one-tenth as much in earnest about your own future as I am, you'd be a happy person today. What others have found, you too may find.

I do not know why you shut the door on The Spirit of God. I do not care. That was YOUR MISTAKE, not mine. I am interested enough however to give you another opportunity. Forge what you ever turned away from this staggering Power of God. We shall be glad to forget it. Fill out and mail the enclosed enrollment form, and thus start again on the Pathway which leads to God. Will you? Not for my sake--but for your own. Thank you.

Cordially your friend,

Frank B. Robinson
