

# A FRIENDLY GESTURE

## ON THE PART OF DR. ROBINSON

Dear Friend:

So many of our students have wished they could have all of my writings that after very careful thought, I have decided to make it possible for every student to have them.

There is of course, only one way I can do this, and that is to cut the price of these books down to a point where anyone can order them all at once, even if it means away below cost.

I gratefully appreciate the loyalty and cooperation of my many, many students and I feel that this is the one way of showing that appreciation in a tangible way.

Accordingly, you may have all five books listed below for only \$5.98 delivered.

	Regular Price	
1. LIFE STORY OF DR. ROBINSON -----	\$2.50	ALL FIVE FOR ONLY  <u>\$5.98</u>
2. AMERICA AWAKENING -----	2.50	
3. GOD NOBODY KNOWS -----	2.50	
4. THE NAME OF THE BEAST -----	2.50	
5. CRUCIFIED GODS GALORE -----	3.98	

As you will notice this means that we will absorb \$8.00 of the price. If you want to order single copies, you may have either No. 1,2,3, or 4 for \$1.25 each, or No. 5 for \$1.50.

There are only two restrictions to this offer:

1. You must be an enrolled student of "PSYCHIANA."
2. This offer is good only until our present limited supply of books is exhausted.

Sincerely your friend and teacher,

FRANK B. ROBINSON
