

To My Students

For the past six weeks I have been in California, organizing and opening "PSYCHIANA" Units throughout the State. You will be happy to know that we now have branches in Los Angeles, Long Beach, Compton, Van Nuys, Pasadena, Glendale, Inglewood, Santa Monica, San Diego, San Francisco, Oakland, and several other units or branches will be open before this notice reaches you.

GOOD NEWS

Immediately after the first of the year, I shall leave again, opening Units throughout Oregon, Washington, Idaho, Utah, Nevada, and shall then cover the Eastern and Southern States, opening Units in every city of any size in America. I expect to give every Student an opportunity to meet me personally. I also expect to have 1500 Units in operation inside of two years.

THIS IS YOUR WORK

as well as mine. I can not do it alone. So please stand behind me with your spiritual thoughts, and help whatever you may be able to financially. Keep your account paid up. This Movement was born of God and it is revolutionizing lives from coast to coast.

REMEMBER!!

If you stand behind me, my work will be much easier, and never forget, this Movement is destined to grow until it is the greatest Power for God in America.

Cordially yours,

FRANK B. ROBINSON.
