

"PSYCHIANA"

MOSCOW, IDAHO

Dear Friend:

Do YOU know that there exists today one of the greatest and most dynamic Laws in the Universe? And do you know further that this great invisible dynamic potent Spiritual Power exists for YOU? Do you know that the old superstitious ideas of God are fast being thrown into the discard, only to be replaced by a NEW and more logical and more sensible picture of this great invisible Spiritual Power?

What a pity it is if you have not yet heard that tens of thousands of people all over the world are using this unseen God-Law for the accomplishment of whatever right thing they may desire in life. The old pagan picture of God originated in heathen ignorance and superstition and while it may have been all right five thousand years ago, yet it is no good to men and women today.

The late Charles P. Steinmetz one day went to Wellesly Hills to visit his friend Roger W. Babson. The two, Scientist and Statistician, discussed radio, aeronautics, power transmission, and any number of things. Finally Babson said to his guest - "Tell me, my friend, what line of research will see the greatest development during the next 50 years?" Steinmetz dropped his head in his hands. For several minutes he was quiet, seeking words for his answer. "The gretest discoveries," he said, meditatively, "will be made along spiritual lines. We scientific men have spent our lives studying physical forces. And now - having made the most sensational discoveries in the history of the world - we learn that our discoveries have not brought people happiness. Scientists must now turn their laboratories over to the study of God and the spiritual forces. Spiritual power is the greatest of the undeveloped powers and has the greatest future."

Don't you think you owe it to yourself to at least find out whether or not this Spiritual Power exists? Why don't you allow us to prove to you that this new definition of God is bringing abundant satisfaction to tens of thousands of people all over the world. Fill out the enclosed application blank now, and use the enclosed envelope to mail it to us. If it should be that you are not satisfied with this new religious philosophy, tell us so within the forty-five days, then right back to you goes your money. Don't miss what others are finding.

Sincerely yours,

Frank B. Robinson
