Dr. Frank B. Robinson, Founder

TO MY STUDENTS

I want to call your attention to ADVANCED COURSE NUMBER THREE. As you were notified, this Advanced Teaching was primarily designed to be an "ordination" Course, but on second thoughts I decided that we had enough preachers in the world, and so I discontinued that advertising matter.

However, I did NOT discontinue the Third Advanced Teaching, but I DID reduce the price of it by half. Instead of charging \$100 for it and giving the ordination, I am now letting my Students have it for \$50.00 cash. The deferred payment price is slightly higher. That way it costs \$5.00 down and \$5.00 a month for 12 months.

I should very much like to have you study this Third Advanced Teaching, and you may use the following Application Blank if you wish to do so. It contains 40 beautiful lessons.

Cordially and sincerely yours,

FRANK B. ROBINSON
