My dear friend:

It does not take a very bright person, or a prophet to understand where this civilization is heading. Certainly disaster, stark, horrible disaster might lie just ahead. While the peaceloving nations have tried their very best to bring in a civilization from which war would be forever banished, you and I both know that there is a nation which has consistently blocked all efforts to establish such a peace. Moreover, this same nation would, if it could, drive the very name of God from the face of the earth.

I want you to read carefully what I am writing to you, because if you pay attention to me, and grasp the staggering truth of what I am saying, your whole life may very easily change. I'm coming into your home, uninvited, and telling you that all nations have been living in complete ignorance of a Power, so utterly dynamic, that when individuals begin to catch the first faint gleams of what I am talking about, many of them shake their heads and say "Oh that's too fantastic—that cannot possibly be true".

But it is true. For I'm not coming to you with just another theory or idea about God. I'm trying to tell you that the actual POWER OF GOD LIVES IN YOU, AND YOU CAN, IF YOU WILL, THROW THIS SCINTILLATING POWER INTO FULL PLAY, AND THROUGH IT YOU CAN HAVE, HERE AND NOW, A SUPERABUNDANCE OF EVERY GOOD THING YOU CAN POSSIBLY NEED IN THIS LIFE, AND IN WHAT EVER OTHER LIFE THERE MAY BE. I'm bringing to you a concept of The Almighty that is so staggering that once it begins to dawn on you, you will, in all probability, shout for joy at my message.

This is the most revolutionary teaching about God this world has ever known. For twenty years I have worked night and day to tell my fellow-Americans just what is involved—just what they can do with The Power of The Spirit of God. Health—Wealth—Joy—Happiness—Domestic tranquillity—Fullness of the Power of God—all these things, and many more, await those who are willing to let me tell them what The Spirit of God can do—HERE AND NOW.

Read what I have written. Believe me—I am not in the slightest degree interested in your money. I am interested in YOU. Don't let the fact that a nominal charge must be made defer you from enrolling. We are completely non-profit and are interested only in doing our duty of revealing to men and women, these staggering truths of God. Read what has happened to others, then let us have your enrollment as quickly as you can. Your money comes back to you if you don't like us.

Cordially yours

Frank Robinson
