We are with you to the limit. We have helped hundreds and we will also help you. All we ask is that you do your part, and then we shall have no worry about results. If you have enrolled on the deferred-payment plan, try and see that your monthly remittance reaches us when due, because this will make our part much easier, and it certainly will help you too. If you are in doubt about anything concerning these Lessons, you may write to us and we will be happy to help you. Lets go now, and together walk along the path of life which leads to a completeness and fullness of everything good.
