FOUNDER OF

# “PSYCHIANA”

MOSCOW, IDAHO

My dear friend:

Suppose that I were to say to you that it may be possible for you to live forever on this earth? And suppose I were to say further that recent discoveries, seen by me over the past nearly twenty years as a religious leader, revealing very plainly what The Almighty has actually been doing in human lives, have led me to believe that the possibility of the human race enjoying Eternal Life on this earth may amount to almost a certainty---that would interest you, would it not?

WELL, MY FRIEND--THAT IS JUST WHAT I AM SAYING, and I mean every word of it. There is a strong possibility that this thing we call "death" may not belong here at all. There is a further possibility that it never did belong here. At any rate--I'm going to find out. Of course, I could be wrong--but I don't think so. This thing called "death" does not appeal to my reason. I DO NOT BELIEVE THE CREATOR EVER PUT IT HERE ON EVEN ALLOWS IT TO STAY HERE. I think we do that.

But if I should be proven right, then I have made the most astounding religious discovery of all time; and in view of the fact that I have astounded the religious world before with my statement that "I TALKED WITH GOD," it is just possible that I may shock it again with my present statement that I DO NOT BELIEVE "DEATH" IS NECESSARY. If I should be proven right, I have opened up the way for the complete and total elimination of death, disease, wars, and every other undesirable thing which has been plaguing the human race ever since there was a human race.

The fact that all have died to date means nothing to me--it DOES NOT PROVE THAT ALL MUST DIE. I am convinced that if The Creator of Life in us, had His way, none would ever die, for I do NOT believe there is a power in this universe superior to the Power of The Almighty. This truly is a staggering statement to make--yet I must make it. I have been leading a religious Movement of spectacular nature for nigh on 20 years, and what I have seen The Almighty do leads me to believe that He has not reached the end of His resources yet. AS A MATTER OF FACT, NO ONE HAS EVER GIVEN THE CREATOR AN OPPORTUNITY TO PROVE THAT HE CAN GIVE US ETERNAL LIFE RIGHT ON THIS EARTH. We have had the "death" idea so drummed into us that we expect nothing else.

WELL, I TAKE ISSUE WITH THOSE WHO PUT SUCH LIMITATIONS ON GOD. I refuse to go along with them. I just cannot help but believe that had we the TRUE concept of God--if we could raise our sights and EXPECT God to give us Eternal Life on this earth--HE WOULD DO JUST THAT. Do you agree with me? Then read carefully what I have written to you. I mean it.

Cordially yours,

*Frank B. Robinson*

## WHY DO I THINK I AM RIGHT? I WILL TELL YOU

I was trained for the Baptist ministry, but early in my College days I got the feeling that I was not on the right track in my search for God. I asked my College professors for "proof" of the theories advanced to me and the other students at the Bible School. But proof was NOT forthcoming. I was told to "believe" and all would be well--"in the sweet bye-and-bye," in God's good time.

That philosophy did not satisfy me at all. So I left the Training School and began an independent search for God--this time--ALONE. That search was a long one. Few would have fought their way thru tradition, thru jeers, thru suffering--to God. But I did. I laid to one side everything I had been asked to "believe," choosing to find the Power of God right here on earth, or, as I had been told, go to hell in the search.

I did not go to "hell." To the contrary, I actually and literally "TALKED WITH GOD" as my advertisements over the past 19 years plainly told the world. The response to my advertising was immediate and overwhelming, and the first thing I knew I was heading a religious Movement, the like of which this Country had never seen before. TIME, NEWSWEEK, PIC, COLLIER'S WEEKLY, THE PATHFINDER, AMERICAN MERCURY and other national periodicals too numerous to mention began to give me write-ups. Who was this upstart on the religious horizon who dared to break with tradition and advocate a new theory of God? Hundreds of stories--good and bad--were written about the Movement. College professors and theological teachers came to Moscow. Books were written on me and if ever a man was persecuted, I am that man.

HOWEVER--THE MAN ON THE STREET WANTED TO KNOW WHAT I HAD DISCOVERED ABOUT GOD. So I told him. Almost at once, as a direct result of The Power of God, strange things began to happen. Illnesses began to disappear. Wealth came where poverty only was known before. Success came into countless lives which had been failures. To be brief--I BROUGHT TO THE EARTH WHAT QUITE EVIDENTLY IS THE GREATEST REVELATION OF THE POWER OF THE CREATOR, THIS WORLD HAS EVER KNOWN. AND I DID NOT TEACH ONE SINGLE PRECEPT OUR MAJOR RELIGIONS TEACH. As a matter of fact, I denied most of them. But please read on to the end.

# A LIMITLESS GOD

Very shortly, it became evident to the world, and to my own satisfaction that I had made a very staggering discovery. Traditions had taught that it is not possible to "TALK WITH GOD" or to demonstrate the actual and literal Power of God, while we live on the earth. That is all supposed to be reserved for "another life--in heaven." Well, I had effectively shattered that theory. The demonstrations which followed my new concept of God were too revolutionary to admit of any other explanation. Over HALF A MILLION people wrote to me, telling what The Power of God had done in their lives. The Movement was established. As Dr. Marcus Bach, of The School of Religion at Iowa State University said in his book "THEY HAVE FOUND A FAITH" published by The Bobbs-Merrill Co.--"He carved a name for himself in American religious history, which is there to stay"--those may not be the exact words--they are close though.

But what I had accomplished--and the revelations from God which I had received, did not satisfy me. I WAS NOT CONTENT TO STOP THERE. For I happen to believe that when we understand to the full, just what a LIMITLESS GOD the Creator must be, then physical death can be, and will be banished from the earth. Diseases will disappear. Wars cannot happen. Every created human being will live on this earth, IN THE TRUE CONSCIOUSNESS OF GOD---FOREVER---if he wants to. If The Creator cannot bring that to pass--there can be no sufficient Creator. BUT THERE IS. There is nothing wrong with God. But there is very much wrong with our "beliefs" ABOUT GOD. It is my duty to change those beliefs. It is my duty to discover whether or not it is the intent of The Almighty that you and I can live on his earth---FOREVER.

## I BELIEVE IT CAN BE DONE AND SO DO YOU

Here is what I suggest. You will, of course, understand that the same understanding of God which brought me and "PSYCHIANA" where they are today, must be founded in the actual truths of God, regardless of whether "orthodoxy" holds those "beliefs" or not. At any rate--I am satisfied to bring this staggering message to the world, and let GOD PROVE WHETHER OR NOT HE IS ABLE TO GIVE US ETERNAL LIFE HERE AND NOW. I believe God not only is able to, but WANTS TO.

So here is what I have done. I am writing now, a series of twenty-six Lessons which are designed to bring to you, my thoughts on this "death" proposition, and I am so developing these Lessons that those who care to may follow thru with me, and at the end of the journey we shall discover whether or not The Almighty intends that we should live forever here and now. I have seen too many manifestations of The Power of God to doubt personally. If it should be that I am correct, then you want to be among the first to make the astounding discovery with me--do you not? Certainly the experiment cannot shorten your life, and it will be very interesting and fascinating to learn things I shall have to say to you--THINGS YOU NEVER KNEW BEFORE ABOUT THE ACTUALITY OF GOD IN THIS WORLD, AND IN YOUR OWN LIFE. Many of my statements will amaze you.

# YOU ARE INVITED TO JOIN ME IN THIS GREAT EXPERIMENT

I invite you to join me in what is the greatest and grandest experiment of all time. I invite you to join with me in a journey into The Realm of God. I promise you that the journey will fascinate you. I promise you that you will end this journey with an outlook on life and God which you cannot dream to be possible now.

Old accepted theological theories do not appeal to me. I do not teach them. There is only one thing I know how to teach, and that is THE POWER OF THE INVISIBLE SPIRIT OF GOD. I know how to show men and women how to apply that Power in their lives to such a degree that illness, disease, poverty, fear, lack of any good thing can be completely cast out by the actual and literal POWER OF GOD.

Now what I want to know--and what you want to know is this---HAVE WE NOT UNDERESTIMATED GOD? WHO HAS THE AUTHORITY TO SAY THAT THE AMAZING BODY THE ALMIGHTY CREATED, HAS TO DIE? WHERE DID SUCH A THEORY AS THAT COME FROM? CERTAINLY IT DID NOT COME FROM GOD. It probably came from some of the systems of religion in the Dark Ages. In any event, I do not believe it. Nor do I believe that I am asking too much, when I ask you to join with me in an adventure into the Realm of God which may result in the greatest religious upheaval humanity has ever seen.

Everyone is looking for some spiritual manifestation from God to come to earth, and speedily. PERHAPS THIS IS IT? PERHAPS THE ANSWER TO ALL OF LIFE'S PROBLEMS HAS ALWAYS BEEN HERE, WITH US TOO BLIND, AND TOO 'RELIGIOUS' TO SEE IT. That could be, my friend.

## YOUR MONEY DOES NOT INTEREST ME

The 'PSYCHIANA' Movement, of course, is a completely non-profit religious organization as is well known. Our method of operations, and our Teaching however are quite different from anything ever seen in America before. In the first place, we operate entirely by mail. We have no churches, and few ministers. We don't want them. We believe that when the American people have the actual TRUTHS of God brought to them, they will come after those TRUTHS. And they have come--believe me, they have.

Everyone who receives our Lessons becomes an Associate-Member, and he or she must contribute a definite amount to the support of the Movement as our operating expenses are close to half a million dollars a year. However, we make the charge as low as we possibly can, but those who wish to pay more, may do so. Outside of necessary expenses, no one profits from this Movement except they who find the actual Power of God.

This is my message, my friend. I hope it is plain. I hope you understand what I am talking about. You could, very easily, be taking part in a Movement which will bring to earth the greatest revelation from God this world has ever known. I believe you are.
