Dear friend and student:

I take pleasure in handing you lesson #9. You have probably been taught that you were a fallen creature who was born in sin and live in iniquity and other things along that order. This lesson will show you that you are no such a thing. It will show you that instead of having fallen, man has steadily climbed from the lower to the higher.

I want you to give a lot of time and thought to this lesson, and furthermore I want you to actually put the God-Law to the test in your own life. And let me repeat that there does exist a Spiritual power which you may contact and use in the attaining of every right desire of your heart.

Stay quiet and grasp to the full the immense Truths this lesson discloses for they ARE immense Truths.

Sincerely your friend and teacher,

*Frank B. Robinson*
